

**AKANA E. NOTO**

Marine Science Center, Northeastern University  
4062 Georgia St., Unit 5, San Diego, CA 92103  
akana.noto@gmail.com  
akananoto.com  
(773) 412-9409

**PROFESSIONAL APPOINTMENTS**

---

**Lecturer**, University of San Diego, San Diego, CA **2020-present**  
**NSF Postdoctoral Fellow**, Northeastern University, Boston, MA **2018-2020**  
**Lecturer**, University of San Diego, San Diego, CA **2017**  
**Adjunct Professor**, San Diego Mesa College, San Diego, CA **2017**  
**Visiting Assistant Professor**, Keck Science Department, Claremont McKenna College –  
Scripps College – Pitzer College, Claremont, CA **2016-2017**

**EDUCATION**

---

**University of California, San Diego**, La Jolla, CA **2011-2016**  
*Dissertation*: “Abiotic and biotic drivers of spatial variation in salt marsh species interactions and community dynamics”

- Ph.D. in **Ecology, Behavior and Evolution**, June 2016.
- Advisor: Prof. Jonathan Shurin

**Pomona College**, Claremont, CA **2005-2009**

- B.A. in **Biology**, May 2009. 3.89 GPA. *Cum laude*. Phi Beta Kappa.
- Distinction in **Senior Exercise**: “Invasibility of Coastal Sage Scrub: The Impacts of Allelopathy, Seed Predation and Shading on Success of an Invasive Species”

**HONORS and AWARDS**

---

- National Science Foundation Postdoctoral Research Fellowship in Biology **2018-2020**
- Frontiers of Innovation Scholars Program Fellowship **2015-2016**
- UC Natural Reserve System Mildred E. Mathias Grad Stu Res Grant **2014**
- National Estuarine Research Reserve System Grad Research Fellowship **2012-2014**
- California Native Plant Society Research Grant **2013**
- Wetland Foundation Field Travel Grant **2013**
- Jeanne Messier Research Grant, UC San Diego **2012**
- Honorable mention, Ford Foundation Fellowship **2012**
- Honorable mention, National Science Foundation Grad Res Fellowship **2011, 2012**
- Ruth Stern Graduate Fellowship, UC San Diego **2011**

**PUBLICATIONS**

---

**Noto, A.E.** and Hughes, A.R. Decadal-scale sea level rise is associated with loss of genetic diversity in a dominant plant species. *Submitted*.

**Noto, A.E.** and Hughes, A.R. Genotypic diversity weakens competition within, but not between, plant species. *Submitted*.

**Noto, A.E.**, Shurin, J.B., and Hechinger R.F. Invertebrate herbivory in salt marshes as a driver of geographic variation in plant-plant interactions and plant diversity. *In prep.*

**Noto, A.E.** and Hughes, A.R. 2020. Intraspecific diversity at two trophic levels influences plant-herbivore interactions. *Ecosphere* 11:e03121. DOI: 10.1002/ecs2.3121

**Noto, A.E.** and Gouhier, T.C. 2020. The effects intraspecific and interspecific diversity on food web stability. *Theoretical Ecology*. DOI: 10.1007/s12080-020-00460-z

**Noto, A.E.** and Shurin, J.B. 2017. Interactions among salt marsh plants vary geographically but not latitudinally along the California coast. *Ecology and Evolution* 7: 6549-6558. DOI: 10.1002/ece3.3191

Guy-Haim, T., Alexander, A., Bell, T.W., Bier, R.L., Bortolotti, L., Briseno-Avena, C., Dong, X., Flanagan, A.M., Grosse, J., Grossman, L., Hasnain, S., Hovel, R., Johnston, C.A., Miller, D.R., Muscarella, M., **Noto, A.E.**, Reisinger, A.J., Smith, H.J., Stamieszkin, K. What are the type, direction, and strength of species, community, and ecosystem responses to warming in aquatic mesocosm studies and their dependency on experimental characteristics? A systematic review protocol. 2017. *Environmental Evidence* 6:6. DOI: 10.1186/s13750-017-0084-0.

**Noto, A.E.** and Shurin, J.B. 2017. Mean conditions predict salt marsh plant community diversity and stability better than environmental variability. *Oikos* 126: 1308-1318. DOI: 10.1111/oik.04056

**Noto, A.E.** and Shurin, J.B. 2017. Early stages of sea-level rise lead to decreased salt marsh plant diversity through stronger competition in Mediterranean-climate marshes. *PLOS ONE* 12(1): e0169056. DOI: 10.1371/journal.pone.0169056

**Noto, A.E.** and Shurin, J.B. 2016. Population variation affects interactions between two California salt marsh plant species more than environment. *Oecologia* 180: 499-506.

## TEACHING EXPERIENCE

---

### Courses taught as instructor of record:

Genomes and Evolution Lecture, University of San Diego (Lower Div)  
Bioenergetics and Systems Lab, University of San Diego (Lower Div)  
Introductory Biology Lab, San Diego Mesa College (Lower Div)  
Introductory Biology – Evolution, Biodiversity and Ecology Lecture and Lab, Keck Science Dept (Lower Div)  
Conservation Ecology for Non-Majors Lecture and Lab, Keck Science Dept  
Introductory Biology – Cell and Molecular Biology Lab, Keck Science Dept (Lower Div)  
Introductory Ecology – Organisms and Habitats, UC San Diego (Upper Div)

### Training and service:

Volunteer, Ocean Discovery Institute, San Diego, CA

Fall 2019-present

- Present about what scientists do for “Career Show and Tell” for elementary school classes
- Assist with homework
- Led science-related activities as the scientist on “Scientist Saturday”

- Beach Sisters Volunteer, Girls, Inc. of Lynn, MA **Fall 2018**
- Assisted with after-school science program for 6<sup>th</sup> grade girls, including developing lesson plans
- Graduate Teaching Mentor, University of California, San Diego **2015-2016**
- Assisted with training of undergraduate and graduate teaching assistants including teaching about active learning and promoting equity in the classroom
- STEM Education & Diversity Discussion Grp Board Member **2014-2016**
- Summer Graduate Teaching Scholar, University of California, San Diego **Summer 2015**
- Instructor of record for Introductory Ecology—Organisms and Habitats (70 students)
- The College Classroom, University of California, San Diego **Winter 2015**
- Course about evidence-based teaching
  - CIRTLL Associate certification
- Marine Biology Instructor, UC San Diego TRIO Outreach program **Summer 2014**
- Developed and taught a four-week marine ecology curriculum, including labs, for high school students from underrepresented groups in higher education
- Fulbright Fellowship, English Teaching Grantee **2009-2010**  
Dasu Elementary School, Gimcheon, South Korea
- Independently taught and planned lessons in English as a Foreign Language for 23 first- through sixth-grade classes

**Undergraduate research supervision:**

Eden Santiago Gomez. 2015. Summer REU. Scripps Institution of Oceanography, UCSD. Invertebrate abundance and community composition along a latitudinal gradient.  
Marisa Morse. 2012. Summer REU. Scripps Institution of Oceanography, UCSD. Invertebrate distribution in Southern California salt marshes.

**Education research:**

Collaborated with an education researcher to develop interventions to help undergraduate students better understand experimental design, analyze their efficacy, and put results into context of education research.

**Public outreach:**

Teachers' Professional Development Workshop Series, Salem State Collaborative, Salem, MA, March-May 2019.  
Science Café, Salem, MA, March 2019.  
Salem Sound Coastwatch Teachers' Workshop, Salem, MA, July 2018.  
UC Reserve Fundraising Event, Kendall-Frost Mission Bay Marsh Reserve, San Diego, CA, October 2015.  
Speaker Series, Tijuana River National Estuarine Research Reserve, Imperial Beach, CA, April 2015.  
Exploring Ocean STEM Careers, Birch Aquarium at Scripps Institution of Oceanography, UCSD, San Diego, CA, April 2015.  
Love Your Wetlands Day, Kendall-Frost Mission Bay Marsh Reserve, San Diego, CA, February 2015.

Love Your Wetlands Day, Kendall-Frost Mission Bay Marsh Reserve, San Diego, CA, February 2014.

## INVITED PRESENTATIONS

---

University of San Diego. 2020.  
San Diego State University. 2016.  
Eco-DAS XII Symposium, Honolulu, HI. 2016.

## CONFERENCE PRESENTATIONS (\*Undergraduate presenter, †undergraduate coauthor)

---

**Noto, A.E.**, A.R. Hughes. "Intraspecific diversity at two trophic levels affects the outcome of plant-herbivore interactions." Benthic Ecology Meeting, St. John's, NL Canada. 2019.

**Noto, A.E.** "Plant-plant interactions exacerbate effects of environmental change in salt marshes." *Invited talk* at Ecological Society of America Annual Meeting, New Orleans LA. 2018.

**Noto, A.E.** and Shurin, J.B. "Interactions between salt marsh plants across a latitudinal gradient: the effect of environment and population." Mathias Symposium, Bodega Bay CA, February 2016.

**Noto, A.E.**, Shurin, J.B. and Hechinger, R.H. "Climate effects on plant parasite distribution and plant competition." *Poster Session*: Frontiers of Innovation Scholarship Program Symposium, San Diego, CA, November 2015.

**Noto, A.E.** and Shurin, J.B. "Does interaction strength vary latitudinally among California salt marsh plants?" Western Society of Naturalists Annual Meeting, Sacramento CA, November 2015.

\*Santiago-Gomez, E., **Noto, A.E.**, Hechinger, R.H., and Shurin, J.B. "Invertebrate abundance and community composition in Pacific salt marshes along latitudinal gradient." Society for Advancement of Chicanos/Hispanics and Native Americans in Science Meeting, Washington, D.C. October 2015.

**Noto, A.E.** and Shurin, J.B. "Environmental variability's impacts on salt marsh community diversity and stability." Ecological Society of America Annual Meeting, Baltimore MD, August 2015.

**Noto, A.E.** and Shurin, J.B. "Effects of local adaptation on California salt marsh plant interactions and responses to precipitation." Ecological Society of America Annual Meeting, Sacramento CA, August 2014.

**Noto, A.E.** and Shurin, J.B. "Sea-level rise and dominant plant species impacts on salt marsh communities." *Poster session*: Coastal and Estuarine Research Federation Conference, San Diego CA, November 2013.

\*Morse, M., **Noto, A.E.**, †Bergesen, K. and Shurin, J.B. 2013. Influence of tidal elevation on macroinvertebrate distribution in salt marshes of Southern California. *Poster session*: Association for the Sciences of Limnology and Oceanography, New Orleans LA, February 2013.

**Noto, A.E.** and Hanzawa, F. "Allelopathy, shading and seed predation as determinants of coastal sage scrub invasibility." *Poster Session: West Coast Biological Sciences Undergraduate Research Conference*, San Diego CA, April 2009.

### **SERVICE AND LEADERSHIP**

---

**Admissions Committee Member** Univ Calif, San Diego  
**Recruitment Committee Member** Univ Calif, San Diego

**Winter 2014**  
**Winter 2012, 2013**

### **LANGUAGES**

---

- English – Native speaker
- Japanese – Fluent speaking, completed college-level classes in reading, writing
- Spanish – Advanced speaking, reading and writing
